Signature of Seconder: Blake Brown

6 Membership qualifications

- (1) A person is eligible to be a member of the Association if:
 - (a) the person is a natural person, and
 - (b) the person satisfies membership criteria as outlined in Section 7 of this Constitution.
- (2) Wallsend Touch Association Inc. may accept or reject any application to become a member of the Association and shall not be compelled to provide any reason for such an acceptance or rejection.
- (3) Where the Association accepts an application, the applicant shall become a member of the Association. Membership shall be deemed to commence upon acceptance of the application by the Association.
- (4) Where the Association rejects an application, the Association shall refund all monies forwarded in relation to the application and the application shall be deemed rejected.
